The matter was enquired into in detail then and the Amildar reported that Puja and other services were being regularly conducted, that the income of the temple were not misappropriated as had been represented by the Mutt agent, and that there was no reason for withholding pay of the Carnatic Tasdik. The Dep: Com: agreed with the views of the Amildar. No further action was taken in the matter. Mr. A. Yes. It is Devadaya, but not made out in the name of the Raghavendra Swami Matt. It is to be enjoyed by the Manager Pro Tem. & is actually in the enjoyment of the Archaks. (Kinsmen & his descendants)

There are no records to show that the Matt ever managed the temple affairs or the Inams. The presumption is not therefore correct.

deposed. His agent Krishnachar who also happened to be the brother of the previous Swamiji subsequently became the Swamiji of the Sri Raghavendra Swami Matt at Manjangud and has now left the present agent Hanumachar to continue the agitation.

37 The Deputy Commr, Bangalore Dt. who has admitted the contention of the Matt agent adduces the following reasons in favour of his opinion:-

(1) The institution is a purely Mutt Endowment being a temple for the support of which an annual grant in perpetuity is made from public revenues in addition to land inam granted & recognised & registered as the Inam settlement as a Devadaya.

(2) It is no doubt under the control of the Matt Authorities who have been managing the affairs thereof ever since its existence.

(3) It is amply borne out by the records that such recognised Manager is none other than the presiding Swamiji of the Sri Raghavendra or Raja Matt.

The opponent & his ancestors were as per note above not the Mutt nominees but got possession of the building & properties in virtue of a sanad issued by the then Amildar in accordance with the decision of the Adawlat Court enjoying the same in hereditary succession.

The institution is said to be maintained in proper condition & so there is no reason for moving him.

How his ancestors got the properties has been described in the above notes.

This has been the copy of the agent of the Ramjangat mutt in reason but by reason, but has not been borne out by the records of the local officers.

NOTE—Contn. sheet

(4) The opponent who is only a pujari and a nominee of the mutt having no locus standi in the internal management of the affairs of the temple and its adjuncts is incompetent to establish his private rights over the institution & to alienate portions of the same & with his own hands. Failure & keep up the institution in proper condition would lead to the displacement of the managers themselves, and here the opponent happens & be a mere servant or pujari of the temple liable & be ousted at any time

(6) The opponent has adduced no documentary evidence & showing (1) the property belongs to his ancestors & whom he or his ancestors got into the ownership of the institution.

(7) The petitioner complains that there has been gross & persistent mismanagement of the institution & its property & & breach of trust & prays that he may be removed & the properties given over & [illegible]

In the closing lines of his report the Judge himself says that "the Petitioner, however, has not produced evidence of instances in which he or his Master (the Swamis of the Raghavendra Matt at Nanjangud) exercised authority over the institution". This conclusive evidence shows that the Raghavendraswami Matt has no manner of control or authority over the Bangalore Chikpet Sri Venkataramana Swami Devasthanam.

39 The agent of the Sri Raghavendra Swami Matt has produced a copy G.O No. 2234-6/678-08-8 dated the 3rd March 1911 on which he relies. This directed that certain inam lands in Chickmanse village of the Kunigal Sub Taluk endowed by the Sri Ramachandra Devaru of the Sri Raghavendra Swami Matt at Nanjangud should be enjoyment of a third party which was in the prior should be resumed from the party and restored to the Matt. The inam in the case of the Bangalore Chikpet Sunnatudda Matt anjaneya devaru is no doubt a devadaya, but has been granted not to the swami of the Sri Raghavendra Swami Matt at Kanjanagud but to the anjaneya devaru in the Bangalore Chikpet Matt. The two grants have nothing in common. The other papers produced by the Matt agent are mere copies of title deeds and entries raised by the opponent and do not prove the claim of the Matt over the Bangalore building.

(3) The papers produced by the opponent Ananta Murti are, besides the sale deed executed in favor of his father by Venkubai in 1903 and the genealogical table, mainly receipts for payment of taxes for the Chikpet building showing that he and his ancestors have been in undisturbed possession of the temple & building for long.

The Sri Raghavendra Swami Matt has, as the Deputy Commr has reported, never exercised any control over the Bangalore Matt building. It has not contributed anything for the maintenance of the Services in the temple, nor is there anything to show that the persons in charge of the Bangalore institution acknowledged the authority of the Vanjangadu Matt over it. The ancestors of the present holder of the Matt got possession of the properties in pursuance of a Sannad of and have been in enjoyment thereof for over 150 years. Sri Raghavendra Swami Mutt at Kumbakonam represents that the building is a branch Mutt belonging to Raghavendra Swami. His case is that one Madhva Rao built the Temple and erected the Brindavanam over a hundred years ago and he built a house for the Archaka to live in and for this institution. MEMORANDUM.

The Agent of the Sri Raghavendra Swami Matt at Nanjan-gud presented a petition to Government complaining that the opponent Anantha Moorthi (the present Archak of the Sri Anjaneya Swami temple in the Sumatheendra Matt at Chickapet, Bangalore City) is incompetent and ineligible to manage the stipulated functions in the temple and the worship therein and that he has been trying to establish his own private rights over the temple building and its adjuncts, posing himself as the owner thereof and prayed for the resumption and restoration of the said building for the benefit of the Sri Anjaneyaswami temple and the Brindavanam of Sri Raghavendraswami consecrated and established therein by a former Swamigalu of the Sumateendraswami or Raghavendraswami Matt. The petition was referred to this office for enquiry and report.

2. On receipt of the petition, it was registered as a case, posted for enquiry and both the parties were given an opportunity to establish their right, title and interest in the institution in question by adducing necessary evidence thereto. They filed several written statements. The parties were represented by their counsel and were duly heard.

The contention of the petitioner is -

(1) that one Madhva Rao of Chickpet in Bangalore City constructed a tank at Doddakunte and got a Kodagi Inam from the Government and endowed it to the Sri Anjareya Devaru installed in his house and arranged for the conduct of Puja and Purana by appointing Thimmanna Bhatta and Gopalachar,

(2) that later on when Sri Varadendra Swami of Sumathe-dra Matt visited the place, Madhva Rao being his disciple made over the trust, the management and all his interest

interest therein as well as in the temple and the endowed property in favour of the said Swamigalu, who accepted the gift and constituted the same as a public Muzrai Institution subordinate to the Sri Raghavendra Swami Matt under its direct control and management,

(3) that as the said Pujari and Puranika (Thimmanna Bhatta and Gopalachar) were not the disciples of Sri Sumatheendra Matt, they were removed from their services and Konerachar, one of the ancestors of the opponent was appoin-ed in their place by Sri Varadendra Swami of Sumatendra or Raghavendra Swami Matt and,

(4) that as the nominee of the said Matt for performing puja, that the opponent's ancestors and opponent have been in occupation of the premises and consequently the opponent was clearly estopped from contesting the title of the Sumatendra Matt and,

(5) that the opponent who for the first time set up a title hostile to that of the Matt, cannot be permitted to any longer continue in possession of the trust properties etc.

4. The opponent's contentions are:-

(1) that the property in question is not a Matt and no part of it belongs to Sri Raghavendra Swami Matt.

(2) that it is his private property in the exclusive possession of himself and his ancestors for over 100 years

(3) that Sri Anjaneya Swami temple is separate in itself and is not in any way connected with the other properties and that he was doing the puja and other work connected with the temple according to 'Mamool',

(4) that the petitioner has not produced any authority to show that he represents the present Matadhipathi of

of the Sri Raghavendra Swami Matt and,

(5) that this is not a Muzrai institution and as such the Muzrai Department has no jurisdiction over the institution.

The records show that the institution is a Muzrai institution receiving an annual ready money grant of Rs.27-14-0 from Government and endowed with Devadaya Inam lands in Dodkunte village, Bangalore Taluk. The petitioner is a general Agent under the General Power of Attorney from the present Head of the Sumatendra or Raghavendra Swami Matt. The facts mentioned in the written statement filed by the petitioner viz. that one Madhva Rao of Chickpet installed Sri Anjaneya Swami in his house, set apart a portion thereof for the Archak's dwelling and endowed some inam lands for the upkeep of the temple were admitted by the opponent's mother Venkoo Bai in her statement before the Amildar on 10th August 1908. She also stated in this statement that the amount derived as rent from the shops were used by her only for the services in the temple and for the temple repairs. Unauthenticated copies of the following documents were also produced by her at the time she gave her statement before the Amildar:-

(1) Decision of the 'Adalat' Court dated 29th October 1811.

(2) A letter from the Swami to Sumatheendra Rajaru.

(3) The order of H.H. the Maharaja and,

(4) The endorsement to the opponent's ancestors.

The opponent himself had admitted the above circumstances in his statement recently recorded on the --

the occasion of the Chitaldrug Murgi Swami's visit to Bangalore and from receipts granted by him to the tenants of the shops attached to the institution in question.

The written arguments adduced by the petitioner's counsel are quite exhaustive and fully bear out the claims put forward on behalf of the Matt regarding its right, title and interest in the institution. The title deeds and other documents in the possession of the petitioner were duly perused and returned for presentation, if necessary, before Government when called upon.

The opponent has not produced any documentary evidence in support of his contention beyond stating that he has been in adverse possession of the properties for over 100 years. From the documents produced by the opponent's mother herself, though they are not attested, it is clear that the properties were really intended for service in the temple.

It is observed that this institution is a purely Muzrai Institution being a temple for the support of which an annual grant in perpetuity is made from the public revenues in addition to a land inam granted and recognized and registered at the Inam Settlement as a Devadaya. It is no doubt under the control of the Matt authorities who have been managing the affairs thereof ever since its existence as per wishes of the original donor who handed over the entire right, title and interest in the institution to the then presiding Swamigalu of the Matt. Besides, it has been ruled by Government so far back as 1873 that the representatives of a temple are not the pujaries or worshippers but the recognized Managers of the institution or the inhabitants of the village in which it is situated. In the present instance, however, it is

amply borne out by the records that such recognized Manager is none other than the presiding Swamigalu of the Sri Sumateendra or Raghavendraswami Matt.

It is apprehended that the opponent who is only a pujari and a nominee of the Matt having no locus standi in the internal management of the affairs of the temple and its adjuncts is intriguing to establish his private rights over the institution and to unauthorizedly alienate portions of the same to suit his own ends. It is further alleged that the opponent is otherwise incompetent and ineligible to manage the stipulated functions in the temple and the worship therein. As per standing orders of Government in the case of temples and other religious and charitable institutions in which the public are interested and which are not the private property of the Managers, even though originally founded by them, failure to keep up the institutions in proper condition would lead to the displacement of the Managers themselves and here the opponent happens to be a mere servant or pujari of the temple liable to be ousted at any time.

The opponent beyond stating that the property in question belonged to his ancestors and was their private property has adduced no documentary evidence thereto nor has he explained as to how he or his ancestors got into the ownership of the institution. He, however, seems to depend entirely upon possession which cannot by itself count in his favour.

The petitioner complains that there has been gross and persistent mismanagement of the institution and of property pertaining thereto and of breach of trust in

in respect thereof and prays for the opponent Archak being ousted and the institution with its adjuncts being taken possession of by Government and delivered back to the Manager thereof, viz. the Swamigalu of the Matt. The petitioner however has not produced evidence of instances in which he or his master exercised authority over the institution. Under the circumstances, I submit herewith the entire records connected with the case together with the written statements filed by the counsels on both sides for such orders as Government may deem fit in the matter.

Petition registered No. 1136, dated 23rd December 1919, presented by Hariachar, Agent of the Sree Raghavendraswami Matt at Nanjangud, praying for the resumption-from one Anantnamurthi of the Sumatendra Matt building at Chikpet, Bangalore City, containing the Sri Anjaneyaswami temple.

2. Letter No. H.C.565/1920 dated 14th December 1920 from the Deputy Commissioner, Bangalore District, submitting a report with connected papers.

Order No. 1579-20
Judicial 369-19-6

Dated, Bangalore, ~~31st August~~ 28th Septr 1921.

The building in question contains an Anjaneva temple known as Sumatendra Anjaneya temple and also, a Brindavanam where sacred earth brought from Manthralaya is said to have been worshipped, but no remains of any of the Swamies of the Sri Raghavendraswami Matt have been buried therein.

2 The agent of the Sri Raghavendraswami Mutt at Nanjangud contends that the building is a branch mutt belonging to Sree Raghavendra Swami Mutt. He represents that one Madhu Rao built the temple and erected the Brindavanam over one hundred years ago and also constructed a house for the archak to live in and that some inam was secured for this institution,

that when Sri Varadendraswami of the Sri Raghavendraswami Matt visited -- Bangalore, he obtained from Madhu Rao the building in question as a gift and constituted it as a Mutt, that he removed two persons who were performing puja etc., in the temple as they were not his disciples and appointed one Koneriachar, a disciple of the Mutt, to perform puja and to read Purana, that since then Koneriachar and his decendants have been in possession of the building and rendering service, and that Anantha Murthi, a Shishya of Koneriachar is in possession under the arrangement then made by Sri Varadendraswami. On the ground that the said Ananthamurthi has set up his own title to the building, adversely to the Mutt, he requests that he may be ousted from the building and that it may be delivered to the possession of the Mutt. Ananthamurthi, on the other hand, contends that the building is not a Mutt, that the Sri Raghavendraswami has no right to it and that he and his ancestors have been in the enjoyment of it and the cash and Inam endowments in their own -- right and rendering service therein.

3. The records before Government clearly show that Ananthamurthi is in possession of the entire building, including the temple and the *Brindavanam*, and that these have been in the possession of the members of his family uninterruptedly for over one hundred years.

4. The Muzrai Department is concerned

concerned only with the Anjaneya temple, which is a Muzrai institution in the enjoyment of some dry and wet lands in Doddakunte village and also a cash grant of Rs. 27-13-11 per annum. The recipient of the cash grant is shown in the Inam register as Sumatendra Anjaneya manager protem. The temple is in a good condition and puja service is reported to be properly conducted in it. In these circumstances Government in the Muzrai Department see no reason to interfere in the matter. The Deputy Commissioner is requested to inform the petitioner accordingly.

Respected Sir,

I most humbly beg leave to approach your honour with the following representation and pray for an early redress in the matter.

My petition to Government in the matter of the resumption of the Sri SumatendraSwami or RaghavendraSwami Matt building at Chickpet Bangalore City, containing the temple of Sri Anjaneya Devaru and the Brindavana of Sri Raghavendraswami and the restoration thereof to the Matt authorities is pending since January 1920. The matter was referred to the Deputy Commissioner, Bangalore, for enquiry and report. The Deputy Commissioner after enquiring into the case forwarded his report to Government in December last. These two months the report with connected papers is pending before Government and I humbly pray that the connected records may be kindly perused and orders passed at an early date. The presiding Swamigalu of the Matt is very anxiously awaiting the disposal of this case for over a year with the hope of arranging for the proper conduct of worship etc., in the temple and Brindavanam and has consequently been enjoining on the petitioner to put forth the real grievances before Government and seek for redress, at an early date. Further the stipulated functions in the said Institution are completely neglected and the temple and adjoining premises are polluted to a very great extent by all sorts of persons and the same is being used as a gambling den.

I, therefore, solicit the favour of very early orders in this connection.

I beg to remain,
Honoured Sir,
Your most obedient servant.
